Much of the cost for providing the activities and programs in this guide comes from taxes paid by City of Jackson residents. Nearly half of our program participants, however, live outside of the city limits, non-city residents, fees are double those charged to city residents.

Non-City residents can receive the city resident rate by purchasing an annual resident member card, which will enable them to participate in as many programs as they like at the same rate city residents pay.

Individual member cards can be purchased for $30; family membership is $99.
(For more than four family members, it is an extra $9 per person.)

Cards are good for one year from the date of purchase.
